### **CERTIFICATIONS**

To the best of my knowledge, the data and information that I have submitted to obtain a permit to remove or transport septage is true and correct. I understand that a permit based on false or inaccurate data is subject to revocation. I also understand that no transporting of septage may commence without prior written NHDES approval. I have complied with all local regulations or ordinances relative to the potential health, welfare, or environmental impacts involved in the transport and disposal of septage.

I hereby certify as an applicant that I have not been convicted of a misdemeanor charge under any statute administered by the Department of Environmental Services within the five years prior to the date of application, or of a felony charge under any statute administered by any state or federal court within the ten years prior to the date of application.

I hereby certify that upon issuance of the permit, I assume complete responsibility for ensuring that all persons who will be transporting septage with the applicant's vehicle(s) are familiar with the requirements of Env-Wq 1600.

I hereby certify that all vehicles and containers proposed to be used to transport septage have met all applicable federal and state requirements for septage transportation.
